£1,850.00**

Unicorn Intaglio Signet Ring. A striking 18ct yellow gold signet ring engraved with a finely detailed unicorn crest. The ring features a polished classic oval signet panel showcasing the mythical unicorn, a symbol of purity, strength, courage and nobility. The crisp engraving captures the unicorn in profile, displaying exceptional detail throughout the mane, horn and facial features. The substantial 9.7g gold mount offers a timeless and elegant silhouette, whilst the highly polished finish enhances the ring's luxurious appearance. Signet rings have been worn for centuries as symbols of identity, status and family heritage. Today they remain highly sought after for their enduring style and personal significance. The unicorn motif is particularly desirable, reflecting both heraldic tradition and Scottish symbolism. Whether worn as a statement piece, a modern signet ring or added to a collection of fine gold jewellery, this ring combines classic craftsmanship with a powerful and meaningful design. Inside features a Birmingham hallmark for 1958 as well as a CG&S makers mark alongside the 18ct stamp.
