

**Lion Rampant Intaglio Signet Ring - Saddingtons Jewellery Stand 375
£1,250.00**

Lion Rampant Intaglio Signet Ring. A handsome 9ct yellow gold signet ring featuring a finely engraved lion rampant intaglio to the oval signet face. Rich in heraldic symbolism, the lion rampant has long represented courage, strength, nobility and leadership, appearing throughout British and Scottish heraldic tradition. The intaglio historic technique has been associated with signet rings for centuries, giving the ring both decorative appeal and historical significance. Crafted in warm yellow 9ct gold, weighing 9.2g, the ring is formed with a classic oval signet panel and smoothly tapered shoulders, creating a timeless and highly wearable design. The crisp execution of the lion rampant demonstrates excellent attention to detail, whilst the polished finish enhances the contrast between the engraved motif and the surrounding gold. An attractive example of traditional heraldic jewellery, this ring would appeal to collectors of signet rings, enthusiasts of heraldry and those seeking a distinctive piece of wearable history. Inside features worn hallmarks and an LHG makers mark. Please contact us if you would like to know more about this lovely signet or visit us at Saddingtons Jewellery, Mayfair.
