Sold. A very fine 14 ct (marked), Yellow Gold, Oval Cabochon, Moonstone Dress Ring captures a quiet, luminous charm that draws the eye without demanding attention. The smooth, domed stone glows with a soft light that shifts gently as you move.

The piece shows some minor wear to stone (commensurate with age, considered light) which serves as a gentle reminder of its past life and enduring quality. Crafted with a graceful silhouette, it is Probably Continental in origin and sits comfortably upon the hand.

Dating from Circa 1990, this ring bridges modern vintage style with classic taste. It makes a sophisticated addition to any collection or a thoughtful gift for someone who appreciates understated beauty.
