

Georg Jensen Foliate Silver Brooch - Saddingtons Jewellery Stand 375
£595.00

Georg Jensen Foliate Silver Brooch. An elegant Georg Jensen sterling silver brooch designed byLaila Paaske, model number 126, circa 1970-1980. Beautifully crafted in Denmark’s renowned silversmithing tradition, the brooch features stylised floral and foliate motifs with graceful scrolling tendrils, suspending a sculptural tulip-inspired drop beneath. Designed with the organic forms that define Scandinavian Modern jewellery, the brooch balances soft curves with refined simplicity. The polished sterling silver surfaces catch the light beautifully, while the articulated pendant provides gentle movement and enhances the flowing botanical design. Laila Paaske’s work for Georg Jensen reflects the house’s enduring philosophy of combining exceptional craftsmanship with timeless naturalistic design. The brooch weighs 14.3g. Highly collectable, her creations remain sought after by enthusiasts of twentieth-century Scandinavian silver. The reverse is stamped GEORG JENSEN INC., U.S.A., STERLING, L.P., 126, confirming its authenticity and design attribution. A superb example of vintage Georg Jensen jewellery, this brooch is equally suited to collectors and those seeking aniconic piece of Scandinavian design. The top of the brooch measures 2.5cm x 4.7cm and the dropmeasures 3.1cm. Please contact us if you would like to know more about this amazing brooch or visitus at Saddingtons Jewellery, Mayfair.
