Condition Report

Case: Excellent vintage condition with light signs of wear commensurate with age.

Dial: Beautiful silver dial with very little ageing or patina visible.

Hands & Markers: Prominent gold hands and baton markers in excellent condition.

Crystal: Clean and clear.

Strap: New generic brown leather strap fitted.

Overall: A fine and highly presentable vintage example.

Working Order

Recently serviced and running very well.

All functions operating exactly as expected.

Please note the original crown has been replaced with a generic crown due to the correct replacement part no longer being available.

Supplied with a 12?month mechanical guarantee.

Our View

Vintage Audemars Piguet dress watches represent some of the finest value in high?end Swiss watchmaking. While many collectors focus on the brand's sports models, pieces such as this showcase the elegance, restraint and craftsmanship that form the foundation of the manufacture's reputation.

The oval 18ct gold case gives this watch a distinctive presence, while the beautifully preserved silver dial keeps the look timeless and sophisticated. Recently serviced and ready to wear, this is a superb opportunity to acquire a vintage Audemars Piguet from one of horology's most respected names.
