Cartier Vendôme 590004 | Gold-Plated over Silver | 24mm | Cartier Service documents and manual | Cartier Box

An excellent example of the Cartier Vendôme 590004, crafted in gold plating over solid silver. This piece remains in superb condition throughout — dial, crystal, and case are all exceptionally well preserved. Presented in its original box, our 12-month guarantee, and free insured shipping.

**Key Specifications:**

Model: Cartier Vendôme 590004  
Case Size: 24mm x 24mm round case  
Case Material: Gold-plated over silver (vermeil)  
Dial: Perfect white dial with Roman numerals at 3,6, 9 & 12, Must de Cartier signature  
Hands: Gold Coloured  
Crystal: Sapphire scratch-resistant  
Movement: Quartz battery-powered  
Strap: Cartier worn but perfectly useable with signed Cartier Deployment buckle

**Condition:**

Case: Excellent condition with minimal plating wear  
Dial: Almost perfect — crisp printing and clean surface  
Crystal: Exceptional condition, free from scratches  
Movement: Recent battery change running perfectly

**Our View:**

The Cartier Vendôme offers timeless Parisian elegance in a compact, refined package. This example's near-perfect dial, flawless sapphire crystal, and minimal plating wear make it a standout choice for collectors or those seeking a sophisticated daily wearer. With its recent full service, it's as reliable as it is beautiful.
