

**Vintage 1.80ct 3 Stone Diamond Gypsy Ring - Saddingtons Jewellery
Stand 375
£3,550.00**

A bold Vintage 1.80ct 3 Stone Diamond Gypsy Ring, fashioned in solid 18ct yellow gold and bearing French hallmarks on the back, signifying 18ct gold. Dating to the 1950s, this exceptional ring showcases 3 victorian old-cut diamonds with an impressive combined weight of approximately 1.80 carats. The centre diamond weighs 0.50cts and each pear shaped diamond weighs 0.65ct. The trio of diamonds is securely set within a substantial gypsy-style mount, with the centre stone flanked by two matching diamonds in a striking elongated arrangement. The clean lines of the setting allow the diamonds to take centre stage while providing excellent protection, making the ring ideal for everyday wear. Weighing heavily on the hand at 14g, this classic French design embodies the understated elegance and superb craftsmanship for which mid-century French jewellery is renowned. The warm yellow gold beautifully complements the bright old-cut diamonds, creating a timeless piece that is equally suited as a statement ring or an alternative engagement ring. The diamonds are H-I in colour and VS2 clarity. This ring can be resized. Please contact us if you would like to know more about this stunning ring or visit us at Saddingtons Jewellery, Mayfair.
