Breitling Superocean Héritage II 46 AB2020161C1A1 – Blue Dial, Box & Papers

A true Breitling classic, the Superocean Héritage II 46 AB2020161C1A1 combines bold design with impressive functionality. Featuring a large 46mm stainless steel case and navy blue dial, this model is fitted to the iconic Breitling mesh-style bracelet, delivering unmistakable wrist presence.

The striking blue dial is complemented by luminous silver baton hour markers and hands, with a date window at 6 o'clock. A domed sapphire crystal protects the dial, while the rotating blue ceramic bezel adds both functionality and style.

Inside, the in-house Breitling automatic movement provides a power reserve of up to 70 hours. The watch remains unpolished in excellent condition, with only minor scratches to the clasp consistent with light wear — easily polished if desired.

Accompanied by its full set, including box, spare bracelet links, swing tag, manual, and warranty card, this watch is dated to 2018 by the warranty card.
