

**Zenith El Primero Ref. G581 Vintage Chronograph 18K Yellow Gold
£9,000.00**

Golden Panda!

Our lovely Zenith El Primero with Reference G581 features a cool Panda dial, very reminiscent of racing watches of the 1960s and 1970s.

We believe this watch comes from the son of the original owner, at some point the original red chrono paddle hand was replaced with an all gold hand. We rather like the look and feel it adds to the vintage charm of this good honest example.

Its 37mm wide case is made from 18K Yellow Gold.

Inside beats the Zenith El Primero calibre 3019 PHC automatic chronograph.

It has been thoroughly inspected by our watchmaker, is fully functioning and keeping good time.

To give collectors peace of mind we provide a 1 year mechanical warranty.

Our boutique is located in Mayfair London, United Kingdom. All of our current inventory is available to view in store Monday to Friday from 11am to 5pm.

All of our watches are authenticated by vintage watch experts and we stand by every product we sell.

We ship worldwide and are at your service for any assistance you require.
