

Rolex Explorer 16570 Black Dial
£6,250.00

Watch: Rolex Explorer 16570 Black Dial
Stock Number: CHW7304
Price: £6250.00

Rolex Explorer II 16570 – Black Dial – 40mm – Box & Papers – 2001 / 2002. Fully Serviced in 2026 by Charles Martin Watchmakers.

This may not be the very finest example of a Rolex Explorer II 16570, but it must surely be one of the best priced. Produced in 2001 according to its serial number and first sold in 2002 as confirmed by the original paperwork, this is an honest, original example of one of Rolex's most respected sports watches. Yes it's been a daily watch and worn but well looked after and we have just given it the full refurbishment is required.

Recently serviced, pressure tested and running perfectly, this Explorer II offers a fantastic opportunity for someone seeking a genuine, well-maintained example without paying collector-grade money.

Condition Report

Case: Original and no marks of note

Bezel: Honest wear consistent with age and use, clearly well worn and loved but in good useable condition not to mention original to the watch.

Dial: Clean and original with excellent legibility.

Crystal: No marks of note, recent crystal change.

Bracelet: Original Oyster bracelet showing wear consistent with age and use.

Overall: A genuine, worn and original example that has been mechanically maintained rather than cosmetically restored.

Working Order

Recently serviced and pressure tested.

Running perfectly and operating exactly as expected.

All functions working correctly.

Supplied with our 12-month mechanical guarantee.

Our View

The Explorer II 16570 has become one of the most sought-after modern vintage Rolex sports watches. This example won't win any concours competitions, but that's exactly part of its appeal. It remains original and honest, showing the sort of wear expected from a watch that has actually been enjoyed.

What's Included

Original Rolex box (clip broken)
