

**Vintage Moonstone Solitaire Ring - Saddingtons Jewellery Stand 375
£820.00**

A striking Vintage Moonstone Solitaire Ring, beautifully crafted in 18ct yellow gold and showcasing an elegant oval cabochon moonstone. Displaying the gemstone's enchanting blue-white adularescence, the moonstone seems to glow from within as it catches the light, creating the ethereal effect for which this remarkable gem is celebrated. The moonstone is held within a refined claw setting, while the distinctive ribbed shoulders add a subtle architectural detail that complements the clean, contemporary design. The warm tones of the 18ct gold provide the perfect contrast to the soft, luminous beauty of the moonstone. Long associated with intuition, protection and new beginnings, moonstones have been treasured for centuries and remain one of the most captivating gemstones in fine jewellery. The ring weighs 4.3g and the moonstone and setting measures 8.5mm x 14.3mm. Please contact us if you would like to know more about this lovely ring or visit us at Saddingtons Jewellery, Mayfair.
