

**2.16ct Diamond Single Stone Gypsy Ring - Saddingtons Jewellery Stand
375
£13,500.00**

A striking 2.16ct Diamond Single Stone Gypsy Ring features an amazing victorian old cut diamond beautifully reimagined in a handcrafted contemporary 18ct yellow gold gypsy-style ring. The magnificent antique diamond has been carefully preserved and showcased within a sleek rub-over setting, combining the charm of a 19th-century gemstone with the durability and clean lines of modern craftsmanship. The impressive 2.16ct old cut diamond displays the broad, lively facets and distinctive character that make antique diamonds so highly sought after. It is H-I in colour and VS1 clarity. Unlike modern brilliant cuts, old-cut diamonds possess a softer, romantic sparkle, with each stone cut by hand over a century ago, making every example completely unique. The substantial 18ct gold gypsy mount frames the diamond beautifully while providing exceptional protection for everyday wear. By pairing an authentic Victorian diamond with a modern handcrafted setting, this ring perfectly blends history with contemporary design, allowing an exceptional antique gemstone to be enjoyed for generations to come. The ring can be resized and weighs 10.9g. Please contact us if you would like to know more about this show stopping ring or visit us at Saddingtons Jewellery, Mayfair.
