Our View

The Five Time Zone remains one of Jacob & Co.'s most iconic creations. Instantly recognisable, it perfectly captures the bold design language that made the brand famous. The combination of the diamond-set mother-of-pearl dial, oversized case and multi-time-zone display creates a watch unlike anything else on the market.

Complete examples with the original accessories are becoming increasingly difficult to source, making this a fantastic opportunity for collectors or anyone looking for a genuinely distinctive luxury watch.
