Our View

Baltic has earned a loyal following amongst enthusiasts, and it's easy to see why. The attention to detail, vintage-inspired design and excellent proportions make this a watch that looks far more expensive than its price point suggests.

The Aquascaphe Bronze Blue Gilt perfectly captures the charm of a vintage dive watch, while offering modern reliability, sapphire crystal and 200m water resistance. The bronze case will continue to develop a unique patina over time, ensuring every example becomes completely individual to its owner.

A fantastic opportunity to acquire a full-set example with remaining manufacturer provenance and excellent wrist presence.
