Price: £5200

Cartier Cougar 887904 – 18ct Yellow Gold – 33mm – Quartz

A beautifully refined and increasingly hard-to-find Cartier Cougar reference 887904, presented in solid 18ct yellow gold. Representing the Cougar at its most luxurious, this reference embraces the warm monochromatic appeal of solid gold construction, creating an elegant and unmistakably Cartier aesthetic.

Offered on its original Cartier leather strap and presented in excellent overall condition, this is a superb opportunity to acquire a classic Cartier from one of the brand's most distinctive collections.

Date function working as expected.

Fully tested and supplied with our 12-month guarantee.

Our View

The Cougar is one of Cartier's most underrated designs, blending the elegance of a dress watch with a slightly sportier aesthetic.

The combination of the off-white Roman dial, blued hands, cabochon crown and riveted bezel creates a watch that is unmistakably Cartier. Elegant, versatile and increasingly uncommon, this is a fantastic choice for collectors seeking something a little different from the more familiar Tank or Santos models.
