TAG Heuer Formula 1 WA1217S – 200m – Purple Accents – Vintage Quartz

A fantastic and increasingly hard-to-find TAG Heuer Formula 1 reference WA1217S, dating to approximately 1990. Amongst collectors, this is considered one of the rarer variants thanks to its distinctive purple bezel accents and numerals, giving it a unique look compared to the more commonly seen Formula 1 models from the period.

Presented in good condition for its age and fitted to its original signed TAG Heuer Jubilee-style bracelet, this is a superb example of an iconic 1990s sports watch.

Our View

The early Formula 1 models have developed a strong following in recent years, and it's easy to see why. Colourful, fun and instantly recognisable, they perfectly capture TAG Heuer's sporting identity during the late 1980s and early 1990s.

This particular WA1217S stands out thanks to the uncommon purple bezel detailing, making it one of the more interesting and collectible references within the range. Combined with the original bracelet and 200m water resistance, it remains a highly wearable vintage sports watch today.

A great watch for collectors of vintage TAG Heuer models and a piece you're unlikely to see on many wrists.
