

Aquamarine & Diamond Drop Pendant With Chain - Saddingtons Jewellery Stand 375
£1,895.00

An elegant Aquamarine & Diamond Drop Pendant With Chain, showcasing a beautifully proportioned pear-shaped aquamarine suspended beneath a sparkling old-cut diamond. Crafted in platinum, the pendant displays the refined craftsmanship and graceful proportions that define the Edwardian era, and is presented on an 18ct white gold chain. The beautiful pear-shaped aquamarine displays a delicate ocean-blue hue with exceptional clarity, allowing light to pass effortlessly through the stone and reveal its remarkable brilliance. Above, an old-cut diamond is rubover set within a finely milgrained platinum mount, adding a subtle sparkle and perfectly balancing the elegant drop below. Intricate pierced detailing and delicate millegrain decoration reflect the sophisticated artistry of Edwardian jewellers, who embraced platinum for its strength and ability to create light, graceful settings. The combination of cool platinum, a bright white diamond and the tranquil blue aquamarine creates a timeless and effortlessly elegant design. From the top of the bale to bottom of the stone the pendant measures 36mm, the chain length is 15 inches.
