

Vintage French Diamond and Platinum Bombé Ring, Circa 1960, 10.50 Carats
£41,000.00

A vintage, French, diamond and platinum bombé ring, with a design of four, graduating rows of round brilliant-cut diamonds, in a raised dome, flanked by scalloped rows, set with mostly old-cut and some round brilliant-cut diamonds, onto a heavy, tapering shank, mounted in platinum with an A F maker's mark, circa 1960.

The estimated total diamond weight is 10.50 carats. In our opinion the diamond colour is I and our opinion of the diamond clarity is VS to SI.
