

18ct Moonstone and Diamond Cluster Ring Spectrum Antiques **£2,650.00**

The ring is centred with a luminous oval cabochon moonstone, weighing approximately 2.25 carats, displaying a soft adularescent glow with gentle flashes of blue and white. The moonstone is framed by a sparkling surround of natural diamonds totalling approximately 0.70 carats, graded SI clarity, H colour, adding brightness and contrast to the ethereal centre stone.
