

**Edwardian 2 Stone Diamond Crossover Ring - Saddingtons Jewellery  
Stand 375  
£1,995.00**

A beautiful Edwardian 2 Stone Diamond Crossover Ring, exquisitely handcrafted in platinum and set with two exceptional transitional Edwardian cut diamonds with a combined weight of approximately 1.30 carats. Gracefully entwined, the elegant crossover design creates a timeless symbol of two lives joined together, making this style one of the most romantic and enduring of the Edwardian period. The two beautifully matched diamonds are claw set to maximise their brilliance and fire, their hand-cut facets producing the soft, lively sparkle for which antique diamonds are so admired. The diamonds are 0.65cts each, H-I in colour and clarity VS1. The gently sweeping platinum shoulders flow naturally around the diamonds, creating an elegant sense of movement while allowing the stones to remain the focal point of the design. This ring can be resized. Please contact us if you would like to know more about this lovely ring or visit us at Saddingtons Jewellery, Mayfair.
