

Victorian Diamond & Sapphire 5 Stone Half Hoop Ring - Saddingtons Jewellery Stand 375
£2,950.00

A superb Victorian Diamond & Sapphire 5 Stone Half Hoop Ring, handcrafted in rich 18ct yellow gold and stamped accordingly. Inside the shank is also the makers marks 'S.B & S.LD'. Dating to the late nineteenth century, this elegant ring is set with three beautifully matched Victorian brilliant old cut diamonds alternating with two richly coloured unheated Ceylon sapphires, creating one of the most enduring and sought-after designs of the Victorian era. The three diamonds have a combined weight of approximately 1.30 carats and display the soft fire and lively brilliance that only antique hand-cut diamonds possess. The diamonds are H-I in colour and VS2 clarity. Between them sit two vibrant natural sapphires with a combined weight of approximately 1.70 carats, their deep royal blue colour providing a striking contrast against the warm gold mount. The carved half hoop gallery is beautifully pierced with scrolling openwork beneath each gemstone, demonstrating the exceptional craftsmanship synonymous with fine Victorian jewellery. The balanced arrangement of sapphires and diamonds has long symbolised fidelity, wisdom and enduring love, making this style a timeless choice for an engagement ring or anniversary gift. This ring can be resized. Please contact us if you would like to know more about this incredible ring or visit us at Saddingtons Jewellery, Mayfair.
