

**Suffragette Flower Cluster Stud Earrings - Saddingtons Jewellery Stand
375
£895.00**

A charming pair of Suffragette Flower Cluster Stud Earrings, each centred with a luminous cabochon moonstone and surrounded by alternating 4 natural peridots and 4 amethysts in a delicate floral cluster. Inspired by the iconic Suffragette colour palette of green, white and violet, these earrings beautifully echo one of the most recognisable jewellery styles of the early 20th century. The glowing moonstones are complemented by fresh green peridots and rich violet amethysts, creating a vibrant yet elegant contrast. Dating to the 1930s, these earrings represent the continued popularity of Suffragette-inspired jewellery long after the original movement, combining feminine design with colourful gemstones in a timeless floral motif. The flower front of each earring has a diameter of 1.53mm. Please contact us if you would like to know more about these sweet earrings or visit us at Saddingtons Jewellery, Mayfair.
