Our View

The Heritage Black Bay 79230R is widely regarded as one of Tudor's defining modern watches.

Taking inspiration from Tudor's vintage dive watches whilst incorporating a contemporary in-house movement, it perfectly balances heritage styling with modern reliability.

The red bezel variant has become a modern classic, offering tremendous wrist presence and unmistakable character. The MT5602 movement is one of the strongest in its class, delivering COSC-certified accuracy and an impressive 70-hour power reserve.

Presented as a recent full set, complete with warranty card dated 28/04/2024, and remaining unpolished, this is an excellent opportunity to acquire one of the most desirable references in the Black Bay range.
