

Magnificent 5.27 Carat Natural Old Mine Cut Diamond Solitaire Ring POA

A stone of true substance, rarity, and historic charm. This spectacular solitaire ring centres an impressive 5.27-carat natural old mine cut diamond, beautifully capturing the romantic, high-crowned aesthetic of antique diamond cutting. Unlike modern, uniform cuts, this antique gem boasts the large facets, small table, and open culet that gives old-cut diamonds their distinctively warm, slow, and fiery scintillation.
