Our View

The Carrera Calibre 5 WAR201C offers one of the most versatile designs in the TAG Heuer range. Smart enough for formal occasions yet robust enough for everyday wear, it strikes an excellent balance between dress watch elegance and sports watch practicality.

The black dial and bronzed accents are a particularly attractive combination, adding warmth and character while maintaining the clean, legible design for which the Carrera is renowned. The exhibition caseback provides a view of the automatic movement, adding another level of appeal for enthusiasts. Presented as a complete full set with documented TAG Heuer service history, this is an excellent opportunity to acquire a highly wearable modern Carrera.
