Our View

The Flagship collection has always embodied the more traditional side of Longines watchmaking, offering elegant styling and dependable Swiss mechanics at exceptional value.

This reference stands out thanks to its beautiful combination of the white dial, diamond hour markers and warm two-tone finish. The slim case profile ensures excellent comfort on the wrist, while the exhibition caseback allows a view of the automatic movement within.

A sophisticated and versatile Longines that offers timeless styling and everyday practicality in equal measure.
