

Peridot and Seed Pearl Fringe Necklace in 15ct Gold- Spectrum Antiques £2,450.00

An exquisite Edwardian fringe necklace, c.1900, crafted in buttery 15ct yellow gold. This elegant piece features nine graduated oval-cut peridots, each displaying a vibrant lime-green hue. The stones are interspersed with delicate openwork scrolled links, accented by shimmering natural seed pearls.

The necklace is designed with a classic festoon silhouette, featuring graceful gold chain swags that create beautiful movement on the neckline. The piece culminates in a traditional barrel clasp, which is crisply stamped '15ct'. A rare find in such excellent condition, this necklace embodies the refined femininity and light-filled aesthetic of the early 20th century.
