TAG Heuer Link WT1214 – 36mm – Quartz – Circa 2000
CHW6687
£500

A classic TAG Heuer Link reference WT1214, presented in very good condition and clearly a watch that has been carefully owned throughout its life. Dating to approximately 2000, this versatile sports watch combines the instantly recognisable Link bracelet design with a reliable Swiss quartz movement and everyday practicality.

Recently pressure tested to 200 metres, this is an excellent example of one of TAG Heuer's most successful collections.

Overall: A well-preserved and honest example that has clearly been cared for throughout its life.

Working Order

Quartz movement operating perfectly and keeping excellent time.

The watch has been time tested and pressure tested in-house to 200 metres.

All functions operate exactly as intended.

Supplied with our 12-month mechanical / electrical guarantee.

Our View

The TAG Heuer Link remains one of the brand's most comfortable and recognisable designs. The distinctive S-shaped bracelet links provide superb comfort on the wrist, while the 36mm case size offers ideal proportions for both daily wear and collectors looking for classic TAG Heuer styling.

This particular example stands out thanks to its overall condition and obvious signs of careful ownership. The pressure test result provides additional reassurance, making it a practical and dependable everyday luxury watch.

A fantastic opportunity to acquire a well-kept early 2000s TAG Heuer Link at excellent value.
