Vivianna Torun Bülow-Hübe, circa 1960s. French Rare sculptural silver neck ring with a long articulated drop suspending a striking blue glass pendant. Mark Constable Unit 301
£4,800.00

An exceptional early creation by Vivianna Torun Bülow-Hübe, circa 1960s.

A sculptural silver neck ring with a long articulated drop suspending a striking large blue glass pendant.

From her early period, it embodies the simplicity, movement, and organic elegance that define her work.
A rare, highly collectable example of Scandinavian modernist jewellery.
