Our View

The modern Chronomat collection has quickly become one of Breitling's most successful ranges, and this 32mm reference demonstrates exactly why. The combination of the rich green dial, diamond hour markers and iconic Rouleaux bracelet creates a watch that is both sporty and luxurious.

Powered by Breitling's COSC-certified SuperQuartz movement, it delivers a level of precision that exceeds standard quartz movements while offering completely hassle-free ownership. The compact dimensions make it exceptionally comfortable on the wrist, while the green dial ensures it stands out
