

**1920's 3 Stone Diamond Ring 1.24cts - Saddingtons Jewellery Stand 375
£3,175.00**

A 1920's 3 Stone Diamond Ring 1.24cts, beautifully made and set with three impressive graduated round transitional brilliant cut diamonds totalling 1.24 carats, with the larger central stone flanked by two well-matched diamonds. The diamonds are individually claw set in platinum, allowing plenty of light into the stones and giving the ring wonderful brilliance. The pierced gallery visible from the side is a particularly attractive period detail, sitting above a contrasting 18ct yellow gold shank – a classic combination used in fine diamond jewellery of the 1920s. Elegant and timeless, the traditional three-stone design makes this a beautiful antique engagement ring as well as a striking ring for everyday wear. The Diamonds have been weighed, are H in colour and VS1 clarity. The ring can be resized. Please contact us if you would like to know more about this stunning ring or visit us at Saddingtons Jewellery, Mayfair.
