

**Victorian 3 Stone Diamond Gypsy Ring With Scroll Detailing -
Saddingtons Jewellery Stand 375
£995.00**

This wonderful Victorian 3 Stone Diamond Gypsy Ring With Scroll Detailing is a beautifully characterful antique ring, crafted in rich 18ct yellow gold and set with three graduated diamonds. The diamonds are individually star set across the gold band, with the larger central diamond flanked by two smaller stones. What particularly distinguishes this example is the lovely engraved scroll detailing to either side of the diamonds, adding texture and decorative interest while retaining the substantial, highly wearable form associated with Victorian gypsy rings. A wonderful late Victorian piece combining warm antique gold, sparkling diamonds and beautifully preserved period detailing. This ring weighs 3.6g and can be resized.
