Antique Double Trombone Box Link Albert 20? - Saddingtons Jewellery Stand 375
£2,350.00

This gorgeous Antique Double Trombone Box Link Albert 20? crafted in 9ct yellow gold is a particularly elegant example, combining elongated open trombone links with rectangular box links and decorative knotted connecting links. Measuring 20 inches long and weighing 23.6g, the chain has a lovely length and presence, while the variation in the links gives it far more character than a conventional Albert chain. Finished with a traditional T-bar, originally intended for securing through a waistcoat buttonhole, it can now be worn beautifully as a necklace, either alone or with a favourite antique pendant or locket. A wonderfully wearable antique chain, retaining the distinctive craftsmanship and detailing that makes original Albert chains so sought after.
