Enamel Teddy Bear "Baby" Brooch in Sterling Silver-Spectrum Antiques
£110.00**

An exceptional Art Deco era "Baby" brooch, c.1930, featuring a charming pictorial enamel design. This sterling silver piece is decorated with sky-blue guilloché enamel, centering a white banner with the word "Baby" held by two brown enamel teddy bears.

The scene is topped with a delicate blue ribbon-bow motif, all set over an engine-turned silver ground that creates a shimmering effect through the translucent enamel. Pictorial nursery brooches of this period—especially those featuring animals like teddy bears—are highly sought after by collectors of period silver enamels. This piece remains in excellent condition, retaining its original pin and C-clasp.
