

Vintage 9ct Gold Rubover Brown Diamond Pendant on Chain- Spectrum Antiques
£550.00

A refined vintage diamond pendant set in 9ct yellow gold, featuring a classic rubover (bezel) setting that frames a warm-toned brown diamond weighing approximately 0.20 carats. The clean circular mount gives a crisp, modern look on the neckline while keeping the stone secure and wearable for everyday use.

Suspended from a fine gold chain, this is an elegant, understated piece—ideal worn alone as a signature pendant or layered with other chains for a simple, contemporary stack.
