Our View

The Constellation Manhattan remains one of Omega's most recognisable and enduring designs. First introduced in the early 1980s, the Manhattan collection quickly became synonymous with luxury, elegance and everyday practicality.

This reference perfectly showcases the collection's appeal, combining a refined two-tone case and bracelet with a luxurious diamond-set bezel and clean white dial. The compact proportions make it exceptionally comfortable on the wrist, while the quartz movement offers dependable and hassle-free ownership.

A sophisticated vintage Omega that blends jewellery styling with Swiss precision and remains one of the most elegant ladies' watches of its era.
