Condition Report

Case: Excellent with minimal plating wear — unusually well preserved for a vintage vermeil piece.
Dial: Superb — crisp printing and a clean, well-preserved surface.
Crystal: Good condition, free from scratches.
Movement: Running perfectly.

Our View

The small-size Cartier Vendôme is one of Cartier's most refined and understated designs. This example stands out thanks to its immaculate dial. Its combination of elegant proportions and exceptional condition make it an ideal option for both collectors and those seeking a sophisticated vintage daily wearer.
