Vintage 1978**

£18,000.00

The definition of the classic luxury watch for many collectors would be the Rolex Day-Date.

With the present example of the Rolex 18039 it's easy to understand why.

A clean silver sunburst dial with Roman numerals in the outer track. Plus a day wheel in English.

The lume plots and lume in the hands has turned an attractive pumpkin colour. "T SWISS MADE T" designation on the dial indicating tritium lume.

The 36mm wide case is made from 18k white gold which continues the theme of understated luxury with this timepiece.

Between the lugs the serial number helps date this vintage watch to 1978.

Comes fitted on a cool and uncommon "Made In Japan" 18k white gold Rolex president bracelet. It has a fold over clasp which has the Rolex crown logo present. The inner clasp is stamped with Rolex logos.

Inside beats the Rolex cal. 3055 automatic movement.
