Bracelet: Stainless steel bracelet with light signs of use.

Overall: A very clean, lightly worn example with excellent presentation.

Working Order

Running smoothly with strong performance from the MT5402 movement.

Water resistance rated to 200m.

Supplied with a 12-month mechanical guarantee.

Our View

The Tudor 79030B is one of the best-balanced models in the Black Bay lineup, with its 39mm case, deep blue bezel and dial, and Tudor's impressive in-house MT5402 movement. This full-set 2021 example offers tremendous value, especially in such lightly worn condition. A superb everyday luxury dive watch with a timeless aesthetic.
