

Omega De Ville Prestige 434.13.40.20.02.001
£3,000.00

Watch: Omega De Ville Prestige 434.13.40.20.02.001
Stock Number: CHW7408
Price: £3000.00

A fine dress watch from the masters at Omega this De Ville Prestige is now discontinued with it last having a retail price of £4300.00. This current example that we have in stock is from 2023 originally retailed in the UK.

Accompanied With: Everything originally sold with including inner and outer box, manuals, wallet, warranty card. In addition we provided insured shipping (Can be collected from Mayfair, London) and a 12 month guarantee.

Condition: Glass and Dial show no marks or blemishes 9.5/10. Case and caseback will show light signs of minimal wear as would be expected 9/10. Strap is the original strap, excellent from the outside from the inside shows again as you would expect with leather that has been worn, certainly perfectly useable and durable 8/10.

The third generation of the De Ville Prestige range this is Omega's opportunity to represent classic design in a refined case. 40mm stainless steel case with a domed light silver dial. Silver roman numeral hour markers and hands to match. Date window at 6.

Being a Master Chronometer this watch has an automatic movement that is incredibly accurate powered but a Co Axial Calibre 8800 which is one of the finest in the Omega range. Exhibition case back.
