£1,350.00

Watch: Omega Vintage Classic 2487-2
Stock Number: CHW7415
Price: £1350.00

When searching high and low for a special true vintage Omega then this ticks a lot of boxes, this Omega dates back to 1947 and simply part of the classic range of the era its a manual wind calibre 265 watch that is in fine condition, great working order and a real statement piece with the black honeycombe dial.

35mm stainless steel case housing that fine manual wind movement that runs at around - 15 seconds per day which is quite incredible. Black honey combe style dial with the bronze coloured hands, gold coloured dauphin hour markers and the subsidiary seconds dial above the 6. Its most likley had some repairs and work done over the years but its still a great example.

Condition wise its hard to believe this watch is over 70 years old! No major imperfections to note.

Fitted to a black leather strap with a signed Omega buckle, 12 months guarantee, travel pouch and insured shipping included. Enjoy.... :)
