

**Victorian 8 Stone Diamond Daisy Cluster Ring - Saddingtons Jewellery
Stand 375
£2,550.00**

A beautiful Victorian 8 stone diamond daisy cluster ring, designed as a classic flowerhead and set throughout with victorian brilliant cut diamonds totalling 1.75cts. A larger diamond sits at the centre, surrounded by 7 diamonds arranged as individual petals, creating the wonderfully balanced 8 stone daisy formation. The irregular facets and softly rounded outlines of the hand-cut diamonds give the ring the distinctive character and lively sparkle associated with Victorian diamond jewellery. The diamond-set platinum head contrasts beautifully with the 18ct yellow gold shank, while the delicate split shoulders lead neatly into the flower-shaped cluster. The openwork gallery beneath the cluster is beautifully pierced, allowing light to enter beneath the diamonds while giving the ring an elegant, delicate profile when viewed from the side. The diamonds are G-H in colour and VS2 clarity. This ring can be re-sized. Please contact us if you would like to know more about this stunning ring or visit us at Saddingtons Jewellery, Mayfair.
Size O1/2

Condition	Excellent
Materials	Yellow Gold
Main Gemstone	Diamond

Antique ref: AOMN-208
