

Edwardian 1.75ct 5 Stone Diamond Ring - Saddingtons Jewellery Stand 375

£2,450.00

An amazing Edwardian 1.75ct 5 Stone Diamond Ring. The diamonds are arranged in a continuous line across the finger and individually claw-set in platinum. Their hand-cut facets and individual character give the ring the wonderfully lively, softer brilliance associated with old-cut diamonds. The platinum setting is particularly attractive from the side, with an intricate pierced foliate and scroll gallery beneath the diamonds, allowing light into the stones while giving the ring a beautifully decorative profile. The diamonds are G-H in colour and VS2 clarity. The ring is finished with a contrasting 18ct yellow gold shank that can be resized.
