

**Antique 19? Graduated Opal Bead Necklace - Saddingtons Jewellery
Stand 375
£995.00**

A delicate antique 19? graduated opal bead necklace, each bead is individually spaced with small faceted rock crystal roundel and strung on traditional green thread to enhance the natural colour shifts in the opals. The opals display beautiful soft flashes of green, blue and pink, while the faceted rock crystal spacers add a subtle sparkle between each bead. The opals graduate gently towards the centre, creating an elegant and beautifully balanced line around the neck. Measuring 19 inches in length and finished with a gold barrel clasp.
