

**Antique 17.5? Trombone Link Albert Chain - Saddingtons Jewellery
Stand 375
£3,950.00**

This lovely Antique 17.5? trombone link Albert chain, it is an elegant example of the classic Albert, crafted in rich 18ct yellow gold with a lighter, more refined interpretation of the traditional trombone link. Elongated open trombone links alternate with smaller round connecting links, creating a beautifully fluid chain with a delicate, understated appearance. Finished with a traditional dog clip and T-bar drop, retaining the distinctive fittings of its original watch-chain design. Measuring 17.5 inches and weighing a substantial 32.6g, the fine proportions of the links belie its excellent gold weight, making it particularly elegant worn around the neck.
