

Antique Edwardian 17.5? Trombone Link Albert Chain - Saddingtons Jewellery Stand 375
£3,900.00

A handsome antique Edwardian 17.5? trombone link Albert chain crafted in 9ct yellow gold, combining elongated open trombone links with beautifully detailed twisted fancy links. The alternating links create a wonderfully decorative design, with the intricate twisted sections adding texture and character between the clean, elongated trombone links. Finished with a traditional dog clip and T-bar drop, retaining the classic fittings of its original watch-chain design. Measuring 17.5 inches and weighing 29.8g, the chain has an excellent weight and sits beautifully around the neck when worn as a necklace.
