

Edwardian 16.5? Trombone & Knot Link Albert Chain - Saddingtons Jewellery Stand 375
£4,600.00

A wonderful Edwardian 16.5? trombone & knot link Albert chain, combining elongated open trombone links with beautifully worked knot links to create a particularly distinctive design. Made in 9ct yellow gold, the decorative knot links add wonderful texture and character between the cleaner lines of the trombone links. The chain retains its traditional Albert fittings, with dog clips and a classic T-bar completing the design. At a substantial 38.2g and measuring 16.5 inches, it has an excellent weight and presence, making it particularly striking worn as an antique gold necklace.
