

Antique Edwardian 19? Trombone Link Albert Chain - Saddingtons Jewellery Stand 375
£3,995.00

An elegant antique Edwardian 19? trombone link Albert chain, distinguished by its generous length and clean, elongated open links. Made in 9ct yellow gold, the repeating trombone links are joined by simple rounded connectors, creating a refined, uncluttered design with excellent fluidity. The chain retains its traditional Albert fittings, including two dog clips and a T-bar drop. Weighing a substantial 40.3g, its longer length gives this Albert a particularly relaxed drape around the neck while retaining plenty of presence and character.
