A 15 ct. (tested),Yellow Gold Seal in a detailed urn design and a Rock Crystal intaglio with facets to the edges and the initials H.J.B . English Circa 1830

POA

An exceptionally fine antique Seal, beautifully rendered in 15 ct. tested Yellow Gold as a detailed urn. English Circa 1830, this piece exemplifies the fine craftsmanship of the late Georgian era, featuring elegant scrolling foliate edges.

At its base is a pristine Rock Crystal intaglio, meticulously carved with facets to the edge and deeply engraved with the initials H.J.B. It offers a wonderful opportunity to own a piece of history, making a distinctive pendant or a prized addition to a connoisseur collection.

English Circa 1830
