TAG Heuer Formula 1 Alarm WAU111C – 42mm – Grey Dial – Quartz

A distinctive and highly practical TAG Heuer Formula 1 Alarm reference WAU111C combining the robust Formula 1 design with the useful addition of an alarm complication. Featuring an attractive anthracite grey dial, ceramic and steel bracelet, and impressive 200m water resistance, this is a fantastic everyday sports watch that offers something a little different from the standard Formula 1 range.

Condition Report

Case: Excellent condition with light signs of wear consistent with careful use.

Bezel: Well preserved with excellent definition to the markings.

Dial: Clean anthracite grey dial with excellent legibility.

Crystal: Sapphire crystal clear and free from noticeable marks.

Bracelet: Original ceramic and stainless steel bracelet in very good condition.

Overall: A very well-presented example that has clearly been cherished and maintained throughout its life.

Our View

The Formula 1 Alarm is one of the more unusual references within the TAG Heuer catalogue. While retaining the sporty design and durability that made the Formula 1 line so popular, it adds a genuinely useful alarm complication that is rarely seen in modern luxury watches.

The anthracite grey dial works beautifully with the ceramic and steel bracelet, giving the watch a contemporary appearance while maintaining the rugged character expected of a Formula 1 model.

A distinctive TAG Heuer that offers excellent value.
